

Fireflies by Owl City

You would not believe your eyes if ten million fireflies lit up the world as I fell asleep
'Cause they'd fill the open air and leave teardrops everywhere
you'd think me rude but I would just stand and stare
I'd like to make myself believe that planet Earth turns slowly
It's hard to say that I'd rather stay awake when I'm asleep
'cause everything is never as it seems
'Cause I'd get a thousand hugs from ten thousand lightning bugs
As they tried to teach me how to dance
A foxtrot above my head, a sock hop beneath my bed,
A disco ball is just hanging by a thread
I'd like to make myself believe that planet Earth turns slowly
It's hard to say that I'd rather stay awake when I'm asleep
'Cause everything is never as it seems When I fall asleep
Leave my door open just a crack (Please take me away from here)
'Cause I feel like such an insomniac (Please take me away from here)
Why do I tire of counting sheep (Please take me away from here)
When I'm far too tired to fall asleep
To ten million fireflies, I'm weird 'cause I hate goodbyes
I got misty eyes as they said farewell
But I'll know where several are if my dreams get real bizarre
'Cause I saved a few and I keep them in a jar
I'd like to make myself believe that planet Earth turns slowly
It's hard to say that I'd rather stay awake when I'm asleep
'Cause everything is never as it seems
When I fall asleep I'd like to make myself believe that planet Earth turns slowly
It's hard to say that I'd rather stay awake when I'm asleep
'Cause everything is never as it seems
When I fall asleep I'd like to make myself believe that planet Earth turns slowly
It's hard to say that I'd rather stay awake when I'm asleep
